Ladies,

This is FYI to Nicole (included on this case) and more particularly a request for Annie. ADA Maryclare Flynn has been using me as "Keeper of Records" cited in the attached subpoena. She directs ASD's stuff to me because she can't find you on the state's global e-mail address list. Could you follow up on this and alert her that you are alphabetically listed under Khan on the e-mail system. I think she's been looking for you under D for Doo-Khan. Also, could you suggest she can contact you directly and get me out of this loop.

Eternally grateful.....Mike

Hi Michael,

I just got a trial date in New Bedford Superior Court for [REDACTED] Lab # [REDACTED]. The analysts are Nicole Medina and Annie Dookhan. I have emailed Nicole but Annie doesn't seem to have an email address on the server?

Attached is a summons for the discovery packet on the drug analysis.

Should I be making these requests directly to the analysts or do the summons go through you? Let me know if you need me to do anything else..

Thanks again!

Maryclare Flynn
